

DOODLE  
FOR  
FOOD

TODAY WE'LL OBSERVE A HUMAN  
GATHERING KNOWN AS A "PARTY."

**MOST NOTICEABLE IN THE CROWD IS  
THE EXTROVERT, A SOCIAL CREATURE BY NATURE.**

**EXTROVERTS TEND TO THRIVE AT PARTIES.**

BUT LOOK! IT APPEARS AN INTROVERT HAS  
ALSO FOUND HER WAY TO THIS GATHERING.

UNLIKE THE EXTROVERT, PARTIES CAN  
DRAIN AN INTROVERT'S ENERGY.

THIS IS A RARE SIGHTING, INDEED.

AFTER THE PARTY, THE INTROVERT  
WILL RETREAT TO HER DEN UNTIL SHE IS  
FORCED INTO SOCIETY AGAIN.

FASCINATING.
